

Emergency Procedures Safety Clinic

Applicable Emergency Procedures exercises have been developed for pilots to review critical emergency safety scenarios while flying with a certified safety CFI pilot. Scenarios include both high and low altitude emergency events as well as the opportunity to land on both paved and dirt runways

Directions: Main Terminal at Socorro, NM airport

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
